

# Next week in the Life of a Second Grader

## Next Week's Skills

Reading Skill: Review

Grammar: Nouns

Phonics: Long o, Silent e

Math: Place Value

Science: Air and Weather

## Purple Pride Movie

This will be mostly a review and wrap up kind of week. We will finish nouns, place value, and silent e words. We won't begin a new reading skill and will instead spend time reviewing skills that were difficult for the whole class.

Since it is nearly the end of the grading period, Wednesday afternoon will be our purple pride movie. During this time I will be doing a lot of reteaching and retesting. If grades seem low now just remember they may go up significantly by Wednesday depending on retests.

## Important Dates

Sep 25 - Culver's Night

Sep 29 - Eagle Ticket Party

Oct 2-6 - Intersession

Oct - 7-15 Fall Break

## Apples and Appleseed

Next week will be a fun week filled with learning all about apples and Johnny Appleseed. We plan on having an apple taste test, making applesauce, and doing some crafting. If anyone would like to donate a small packaged bag of precut apples (red, green, or yellow) for our taste test it would be greatly appreciated! We'll be doing our taste test Tuesday. If donating please send them in on Monday so I can get whatever extras we need at the store that night.

## Parent/Teacher Conferences

Forms for parent teacher conferences will be coming home with your child on Monday. Please fill them out and return to school quickly. I will try my hardest to place you during your requested time.

I will also coordinate with other teachers to ensure conferences are near each other.

Don't forget Trunk or Treat will be going on at that time. It should be a blast!

## weekly Specials

Monday - Library

Tuesday - PE

Wednesday - Music

Thursday - PE

Friday - Art
