Grammar: Verbs
Phonics: No New Spelling
Math: Double Digit Addition
Science: Solids, Liquids, Gases

ELF

When we get back from Thanksgiving break we will be kicking off our ELF collections. ELF is a program that really helps benefit Lanesville families, so I alway try to have fun incentives to get students to donate cans. On Monday the 27 the student who brings in the most cans will get to sit at the VIP desk all day!

Have a wonderful Thanksgiving break!

Important Dates

Nov 21 - Class book order form due
Nov 22-24 - Thanksgiving Break
Nov 28 - Muffins with Mom
Nov 28- Eagle Ticket Party

Our Class Book

For the past few weeks we have been talking about all of the things we are thankful for in our lives. Now we are turning our thoughts into a class story. Most students have finished their rough drafts and are writing their final copies. They have come up with some really wonderful stuff.

I sent home a form this week with an envelope attached to it. If you would like your own personal copy of the book please fill out the form and send it back to me by Tuesday, that way we can have them in before Christmas. If it got lost or you need another copy just let me know. I have plenty of extra forms.

Our class has been working very hard on these. They are so excited to see the finished product!
