Book Bags

You probably noticed the books in your student's book bags haven't changed in awhile. Since break I have been using our normal reading group time to retest students and find their new reading levels. Every student I've read with has moved up at least one level! This is great news, but it also means it is taking a very long time. My goal is to be finished by Monday afternoon so we can get back to reading groups! Be on the lookout Tuesday/Wednesday for new books!

eLearning Day

Our planned eLearning day will be February 8. I will post directions on my website the night before so the work can be split up. If you have any questions that day please feel free to contact me!

Valentine's Day Party

Our Valentine's Party is right around the corner. The party is Wednesday the 14th from 1-2. Connie Bell is planning our party this time. If you would like to help out and never signed up (or can't remember if you signed up since it was so long ago!) please just let me know and I'll add you to the list.

I sent home a class list for everyone who will be making Valentine's. We will make our class bags on Monday the 12th. If you want to send in Valentine's earlier I can hang onto them! If you do make Valentine's we ask that you make one for each member of the class so no one is excluded.

Please remember
to wear tennis
shoes on PE days!
