Eclipse

We have learned so much about eclipses this week. The students seem really excited about it. I have had several kiddos tell me they will not be here on that day. If you are not here and are participating in eclipse activities somewhere like Hopkinsville, it can be excused if you send in some sort of documentation! I will not be here that day. Mrs. Geswein will be taking our class out to view for just a few minutes while the substitute watches her class. Since it is so serious that students keep their glasses on we thought it best to have a teacher supervising. We have stressed to them how important it is to keep glasses on, but please also do at home. Thanks!

Glow Run

I hope everyone can make it to our Glow Run tonight! It should be a great time. Registration will begin at 7 and the race starts at 8. Get ready to glow!

Eagle Ticket Party

I am so excited to say that we have some students who already earned 10 eagle tickets and will be attending our party on August 31. Everyone has been doing a great job of earning tickets. We check nearly every morning and every afternoon to see how many tickets each kiddo has, so ask your child how they are doing!

Remember for the party they will need a plain purple t shirt for signing. If you need help getting a purple shirt please let me know!

Trash into Cash

PTSO is extending this awesome fundraiser until August 31. Everyone needs trash bags! We are hoping to be the class that sells the most so we can earn the class party.
